I apologize for the fire drill. Here is the data again. Regions are broken out this time.

Thanks Janine

Sorry Marty It went to you Gmail Again. I need to remove that from my email. I did not realize this last night.

See attached for the summary.

Janine,

I did not receive the attachment to this email. Can you please resend the attachment?

Thank you
Chris

Of note you can filter by region using the Site_No field

20154214 = Region 6

20154215 = Region 8

20154216 = Region 9

Subject: Sample Summary Table_20150814.xlsx

See the attached Summary Sample Summary for 08/14/2015.

Note: the delivery format has changed as this summary is now being run off the combined dataset between Regions 6, 8, and 9. Let us know if this is not how you would like it and want to go back to separate spreadsheets by matrix and region.

Thanks

Janine Polinko Latham
